

Hvordan fortette Bø sentrum?

Hvor kan Bø fortette?

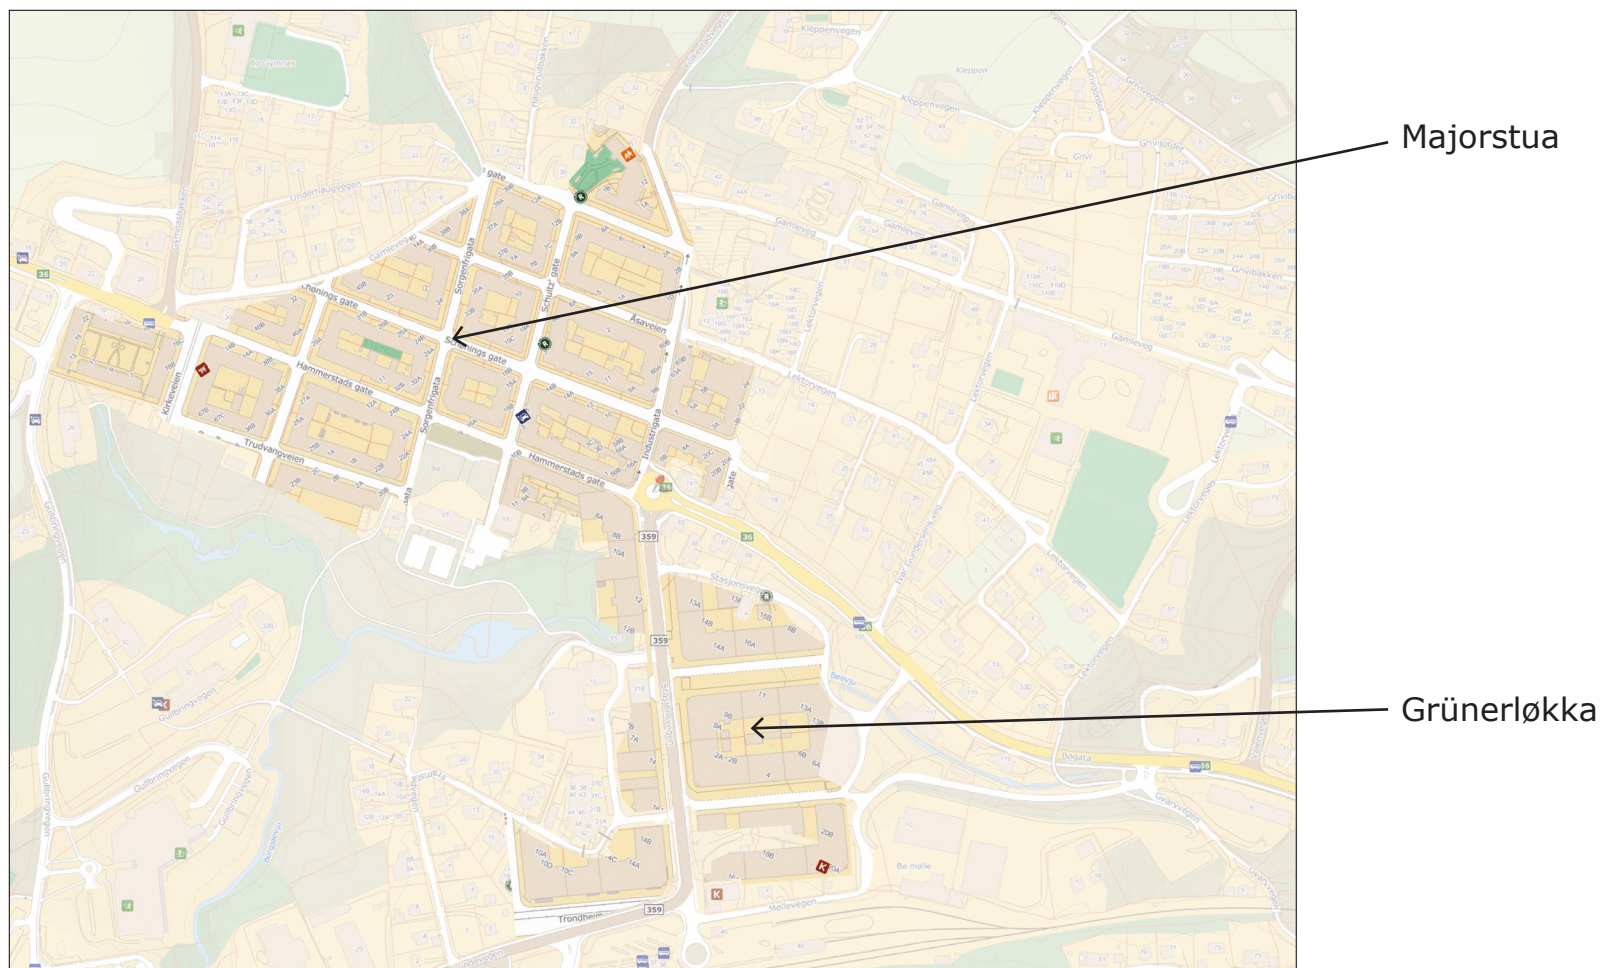

En by for gående og syklende

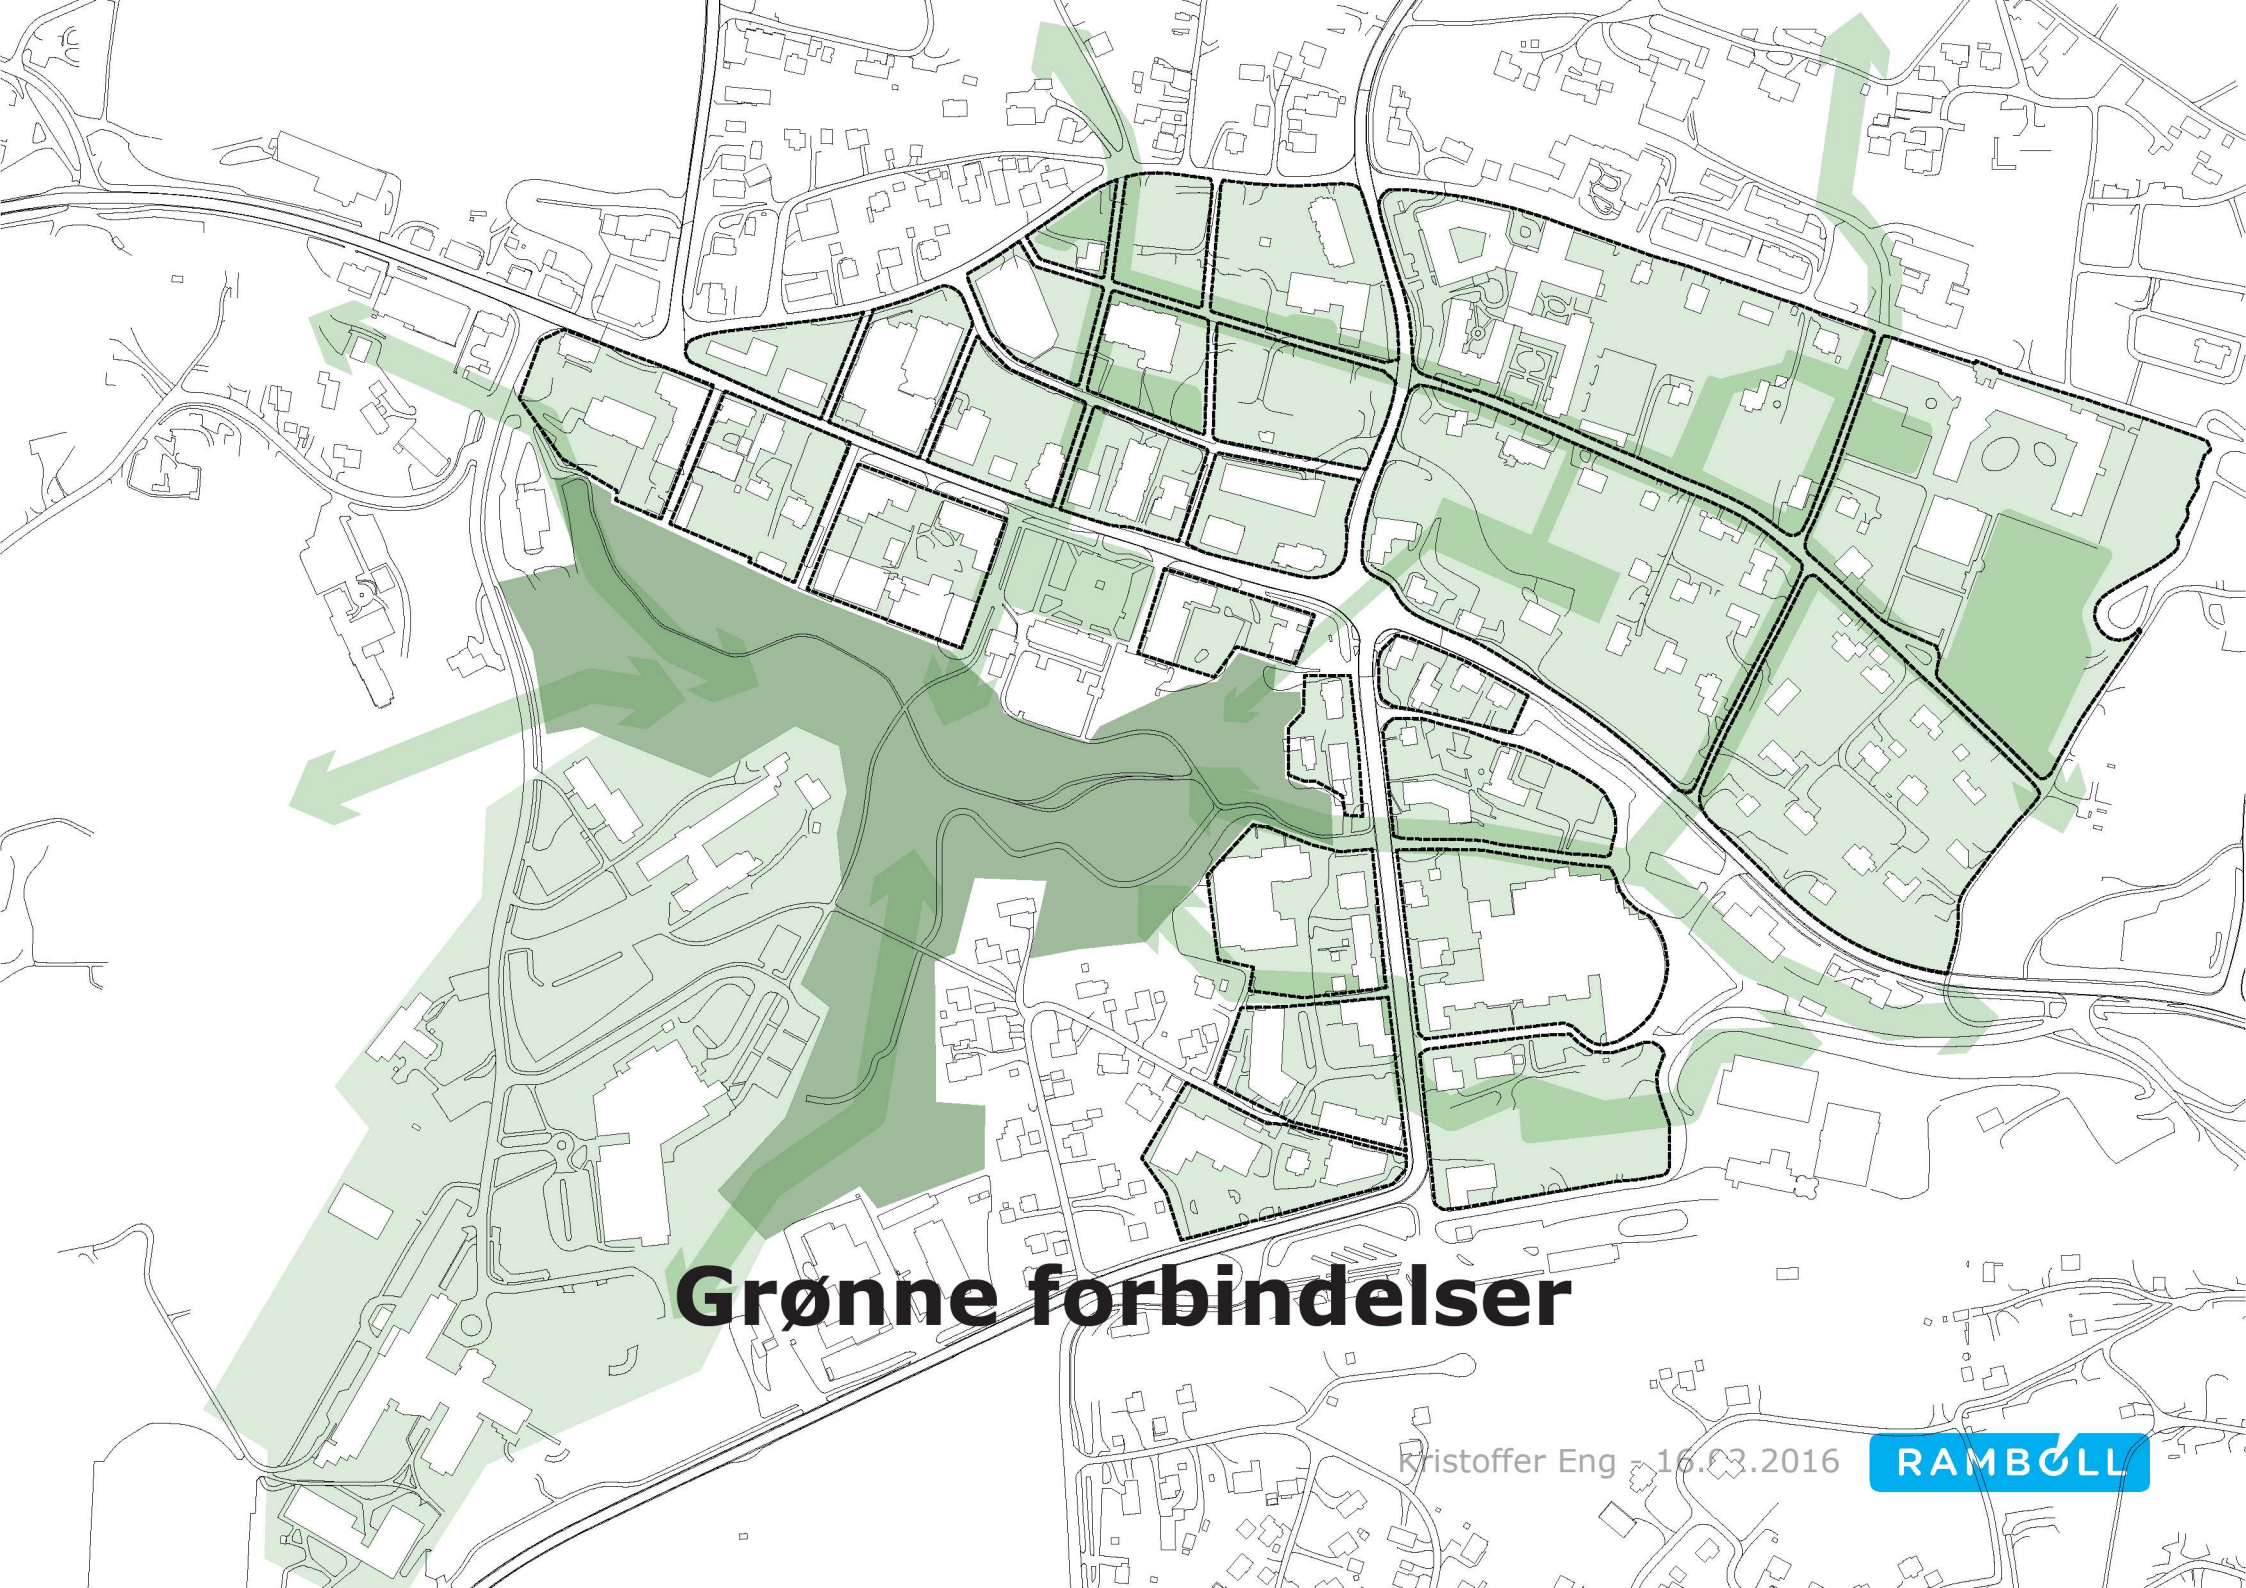

Fortettingsstrategi

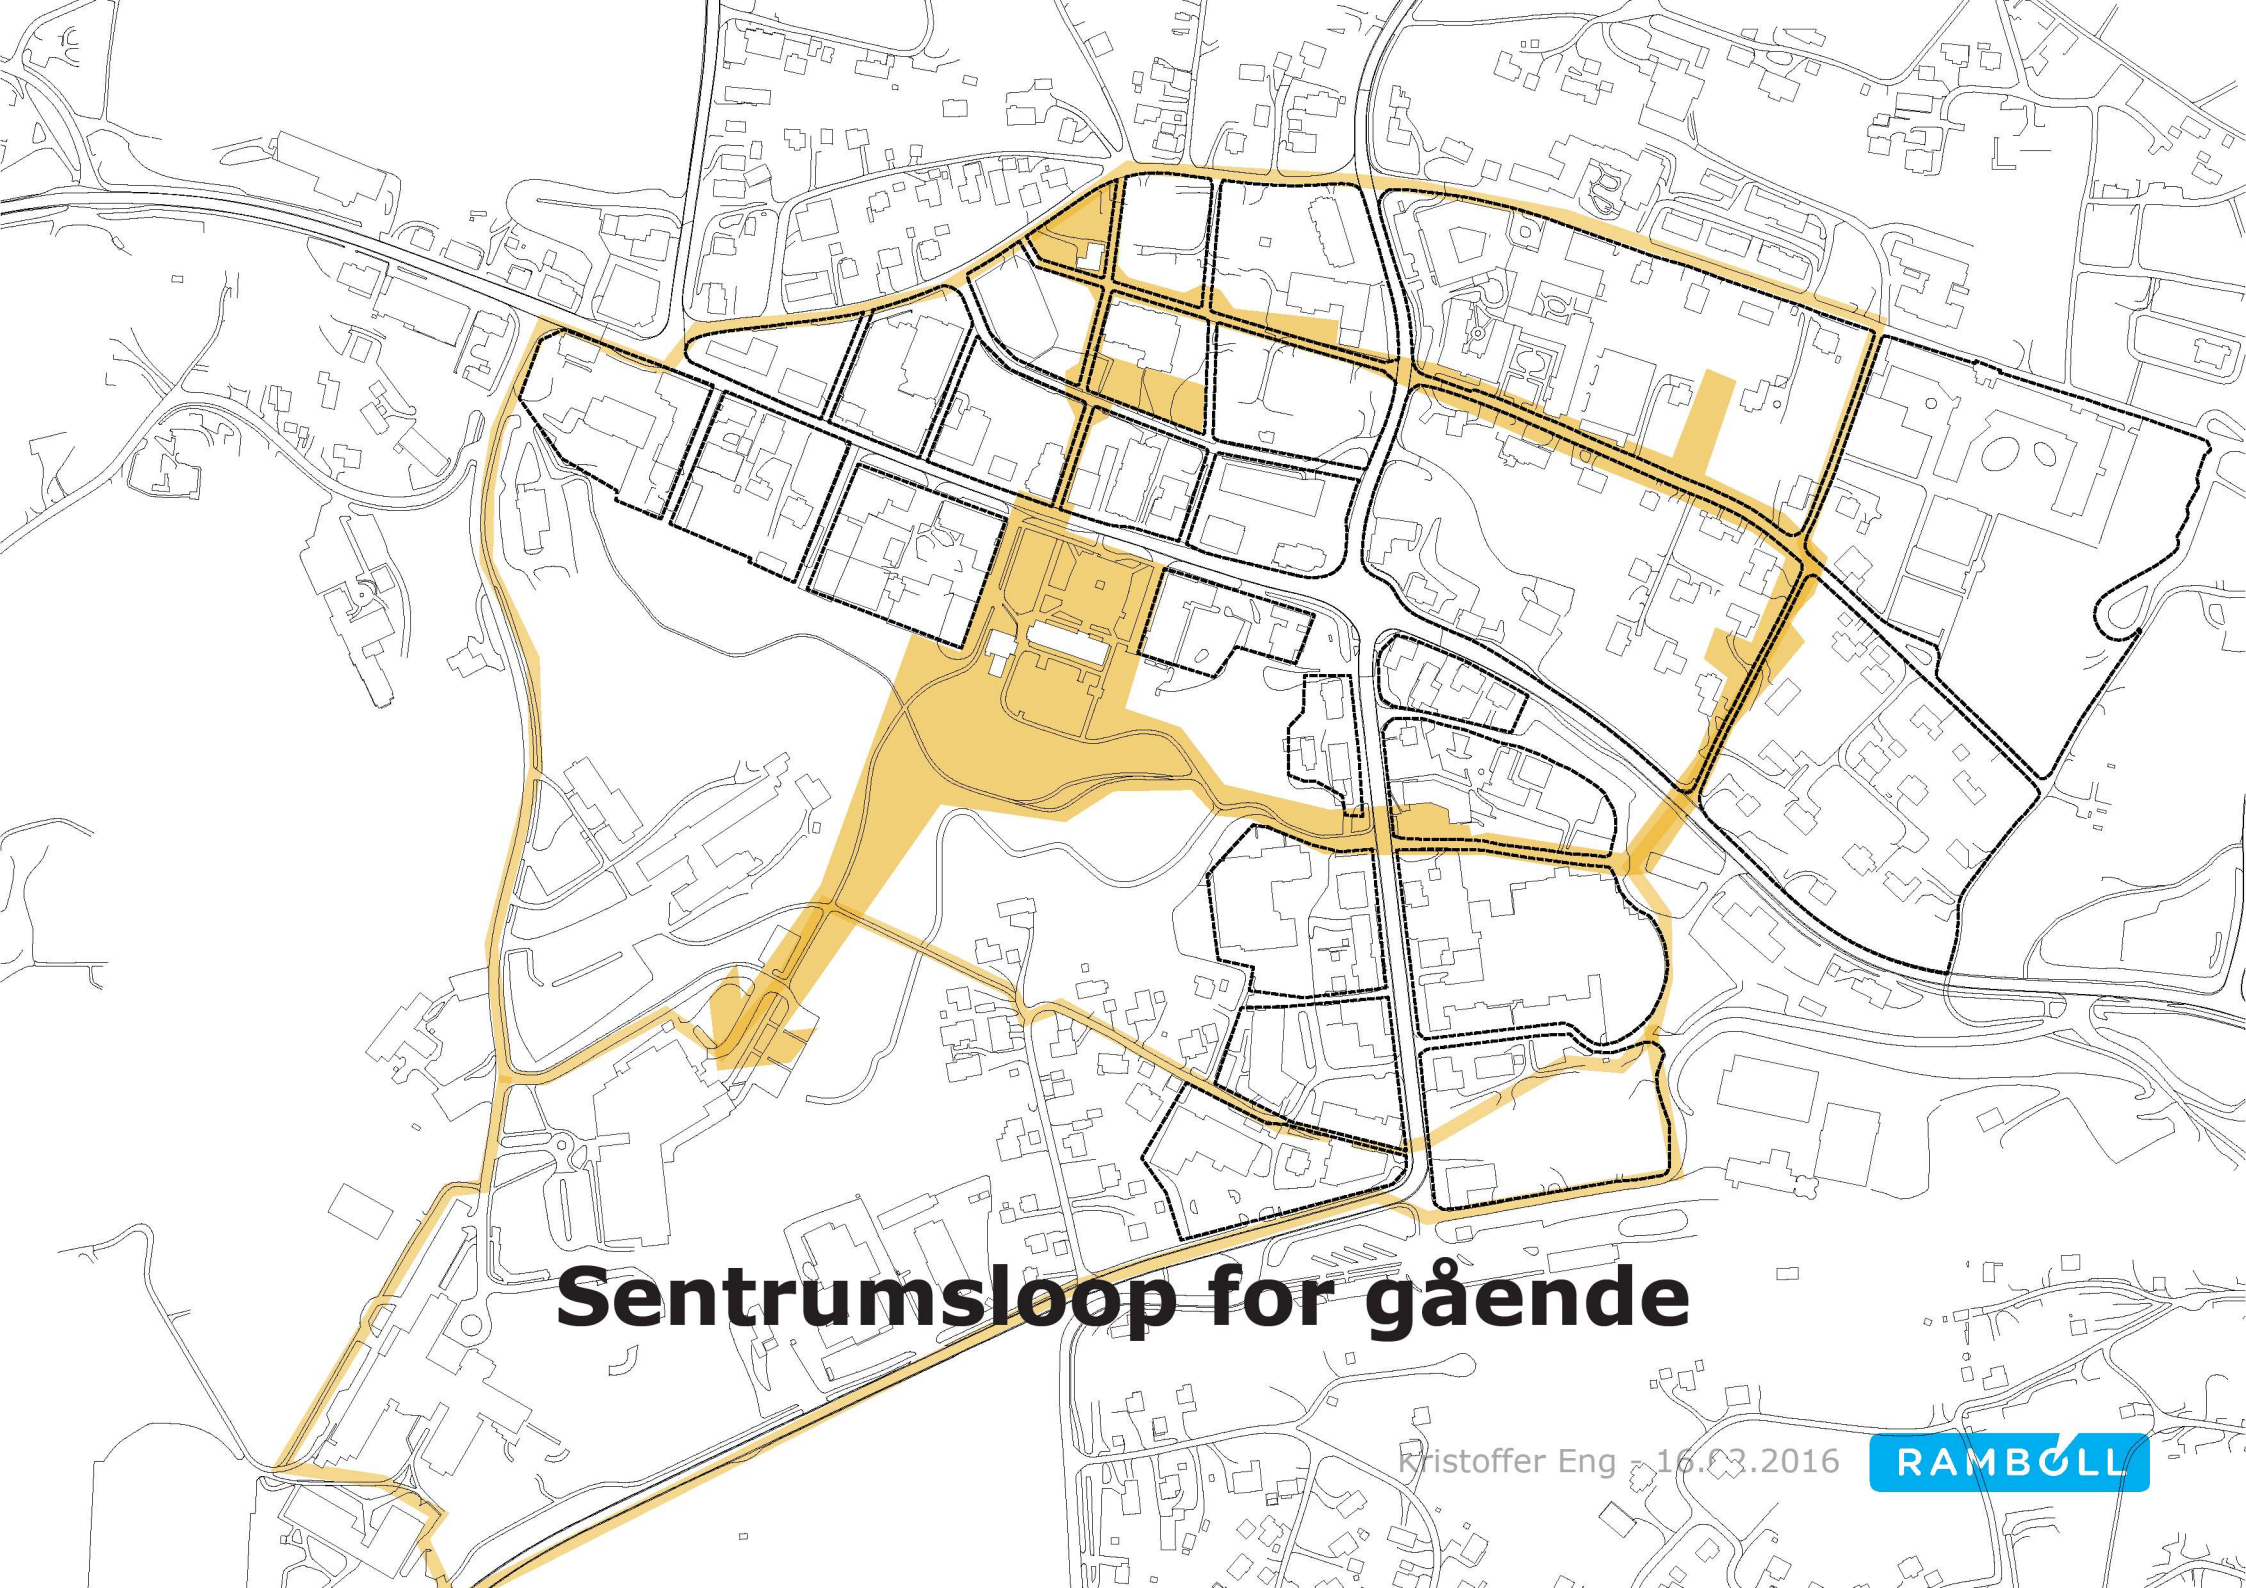

Bricollage

Ny sentrumsstruktur?

A map of a residential area with green spaces and buildings. The green spaces are highlighted in various shades of green, and some are outlined with black lines. Two large green arrows point from the central green area towards the left and right sides of the map. The text 'Grønne forbindelser' is overlaid on the map in a large, bold, black font.

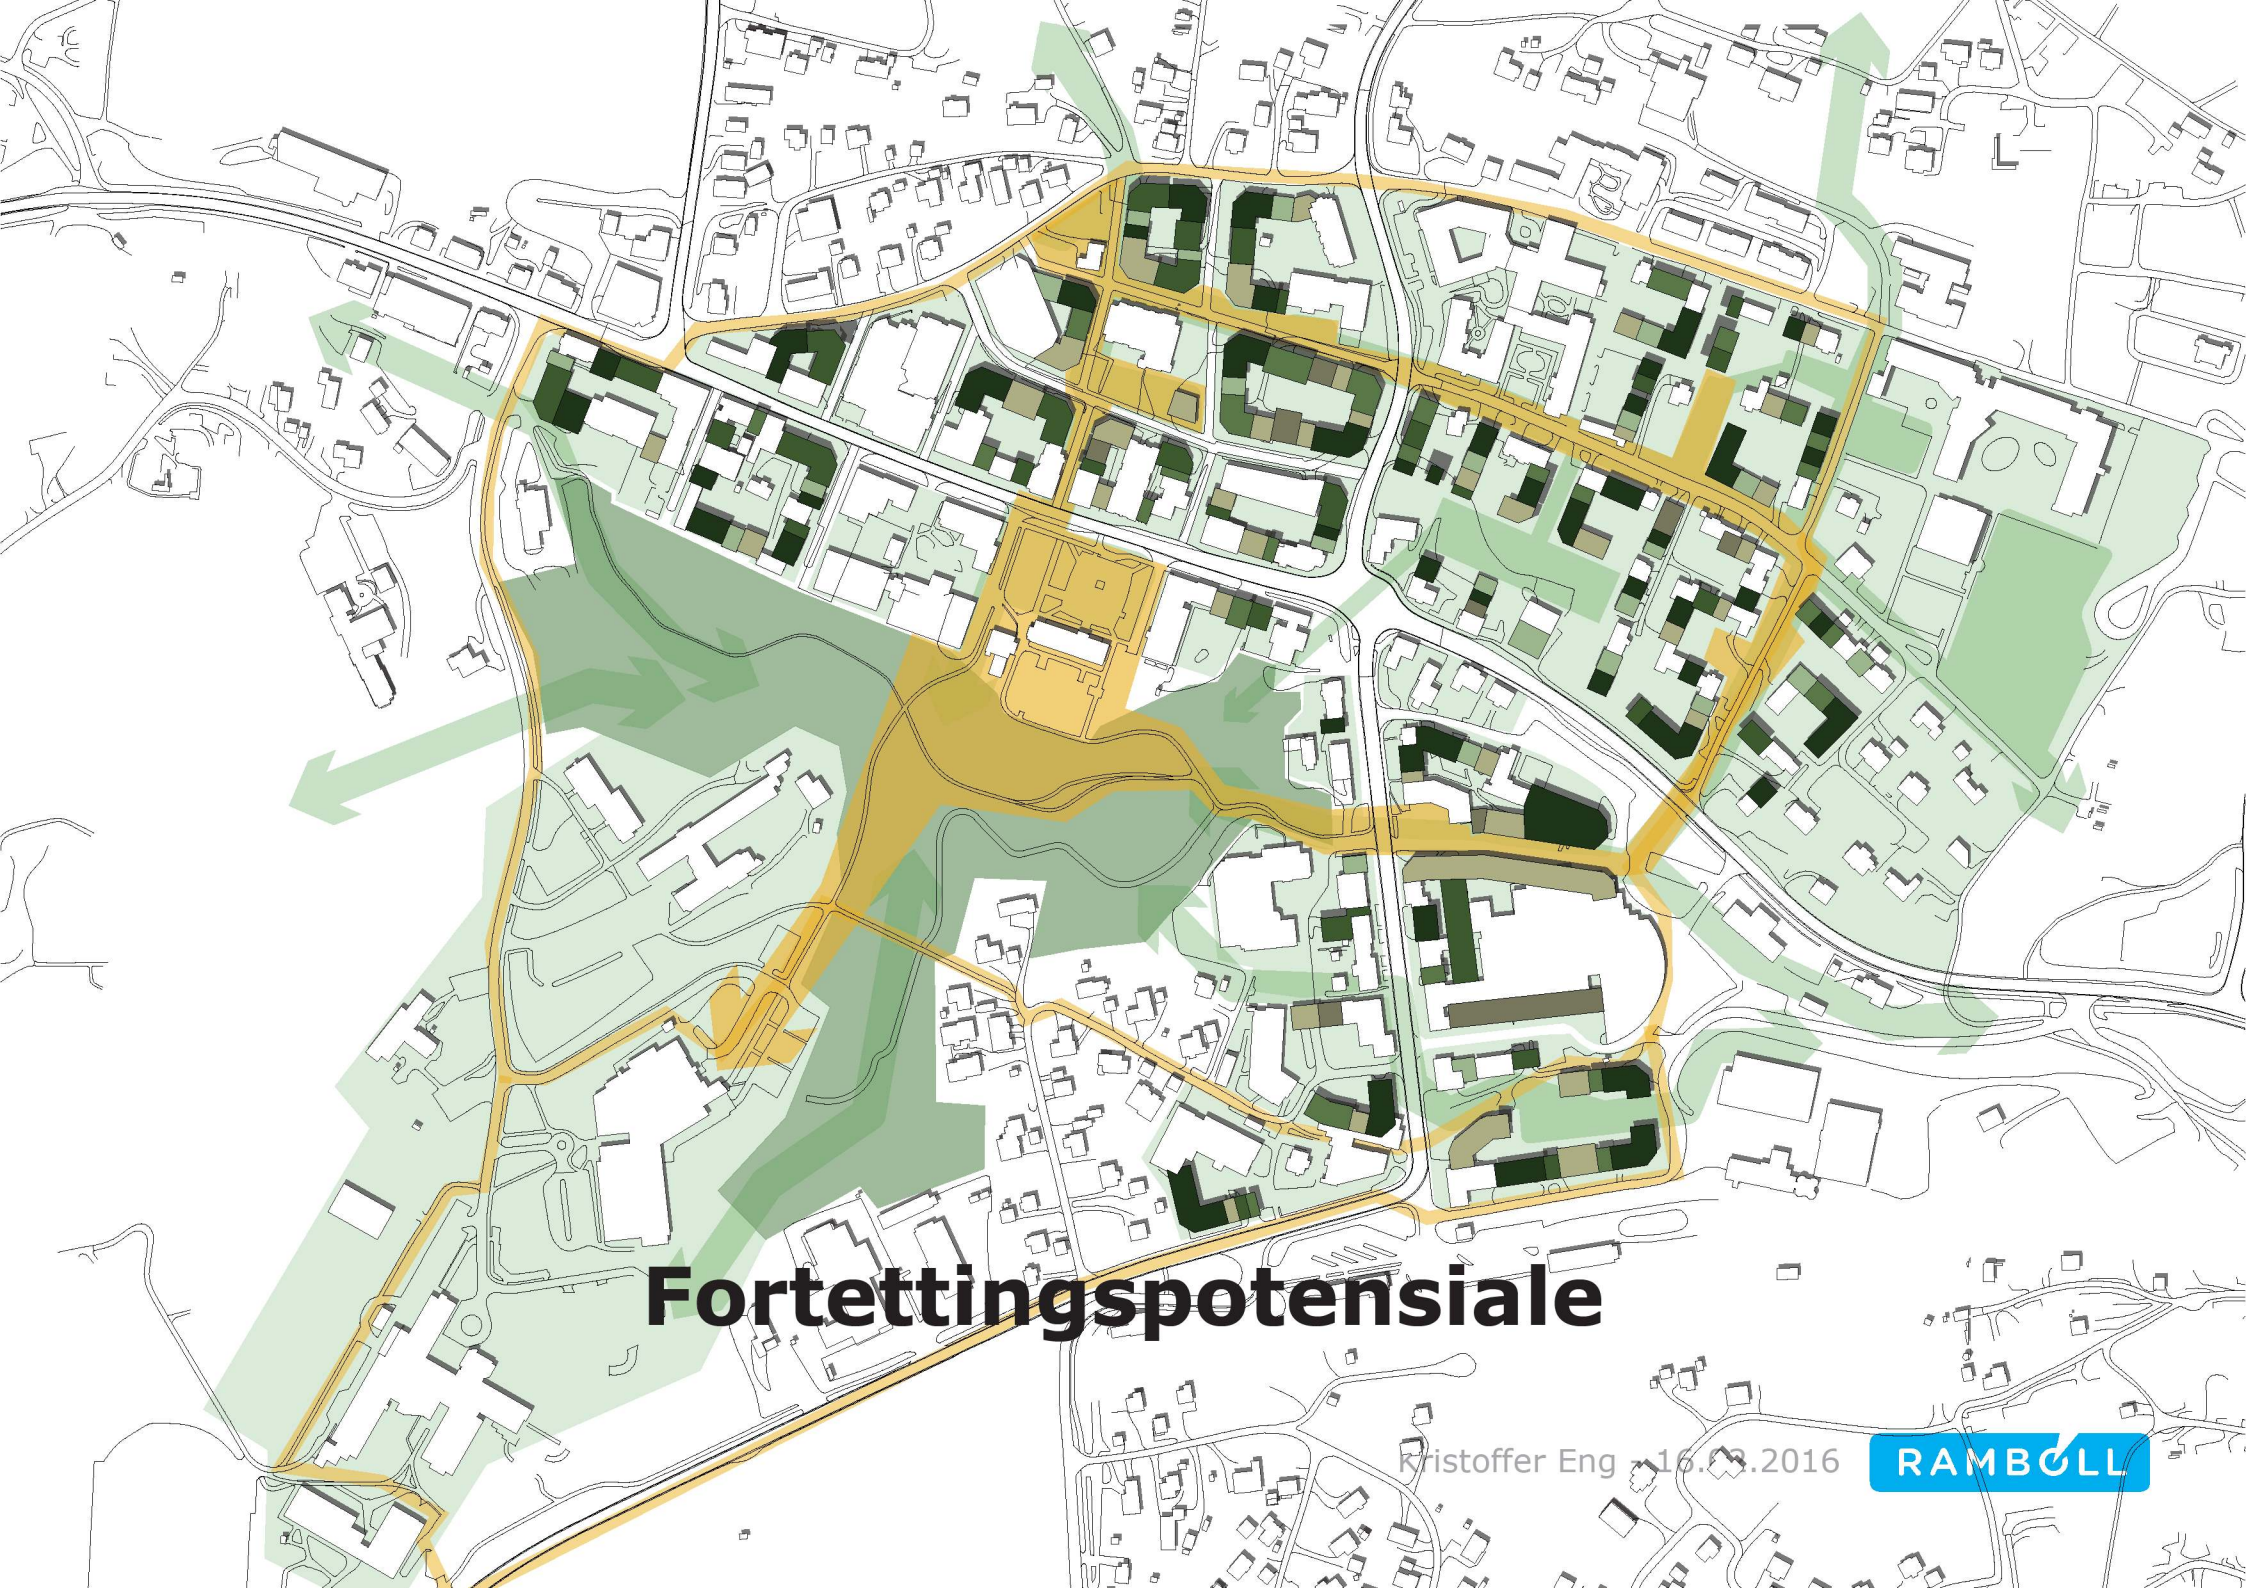

Grønne forbindelser

A map of a city center area, likely in Oslo, showing a network of streets and building footprints. A yellow highlighted area traces a path through the center, connecting various parts of the urban fabric. The path starts near the bottom left, moves up and right, then loops back down and left, covering several blocks. The highlighted area includes both major thoroughfares and smaller side streets.

Sentrumsloop for gående
